bows and flows of angel hair,  
 and ice cream castles in the air,  
 and feather canyons everywhere,  
 i've looked at clouds that way.  
 but now they only block the sun,  
 they rain and snow on everyone.  
 so many things i would have done,  
 but clouds got in my way.

i've looked at clouds  
from both sides now,  
from up and down and still somehow  
it's clouds illusions i recall;  
i really don't know clouds at all.

moons and junes and ferris wheels,  
the dizzy dancing way you feel,  
as every fairy tale comes real,  
i've looked at love that way.  
but now it's just another show,

you leave 'em laughing  
when you go.  
and if you care,  
don't let them know,  
don't give yourself away.

i've looked at love  
from both sides now,  
from give and take  
and still somehow  
it's love's illusions i recall;  
i really don't know love at all.

tears and fears and feeling proud,  
to say "i love you" right out loud,  
dreams and schemes  
and circus crowds,  
i've looked at life that way.  
but now old friends  
are acting strange,  
they shake their heads,  
they say i've changed  
but something's lost  
but something's gained,  
in living every day.

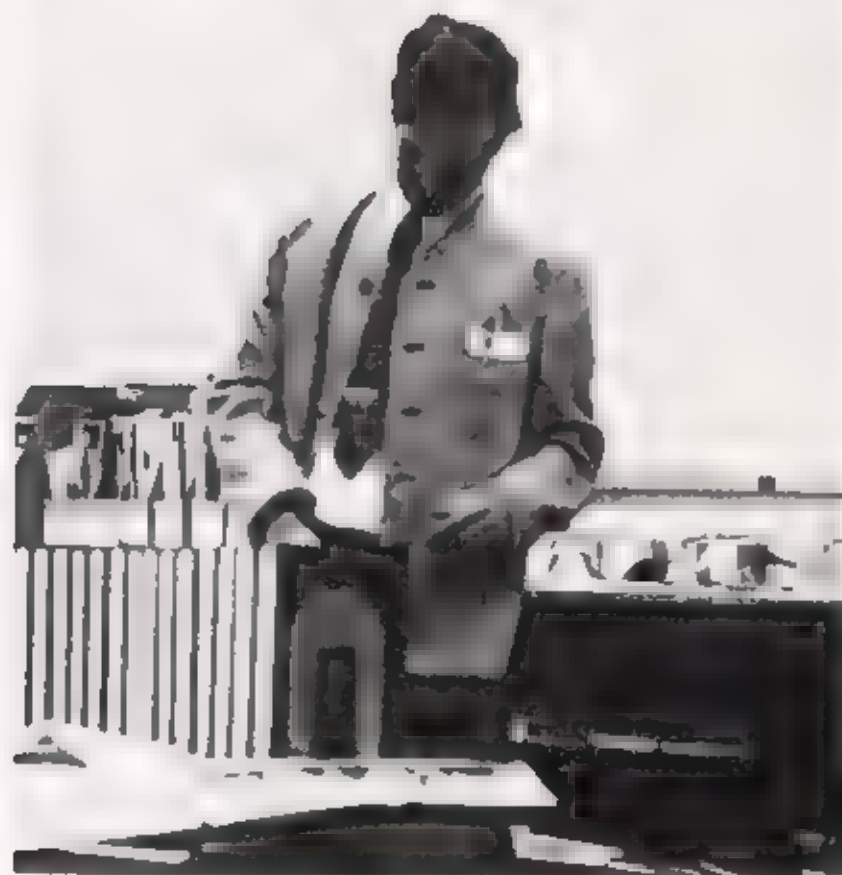

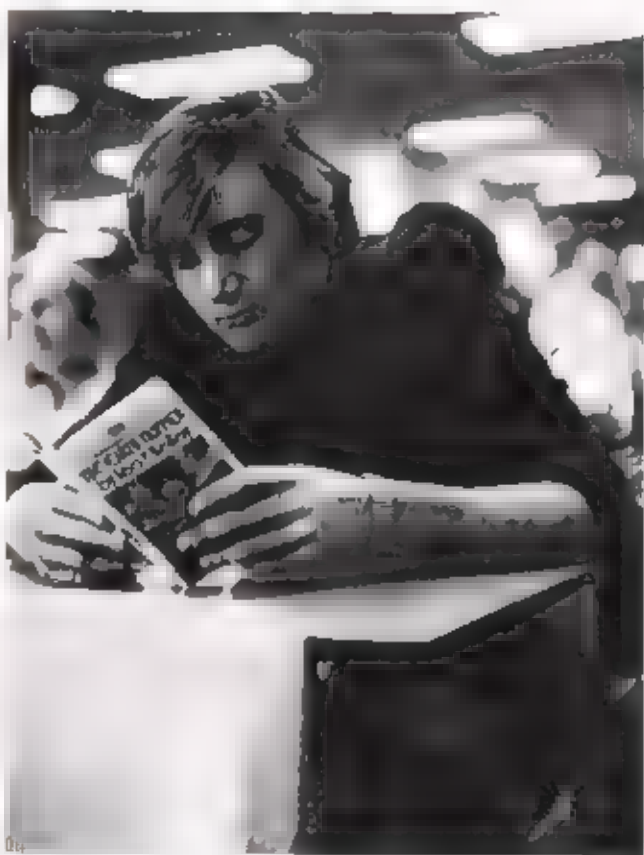

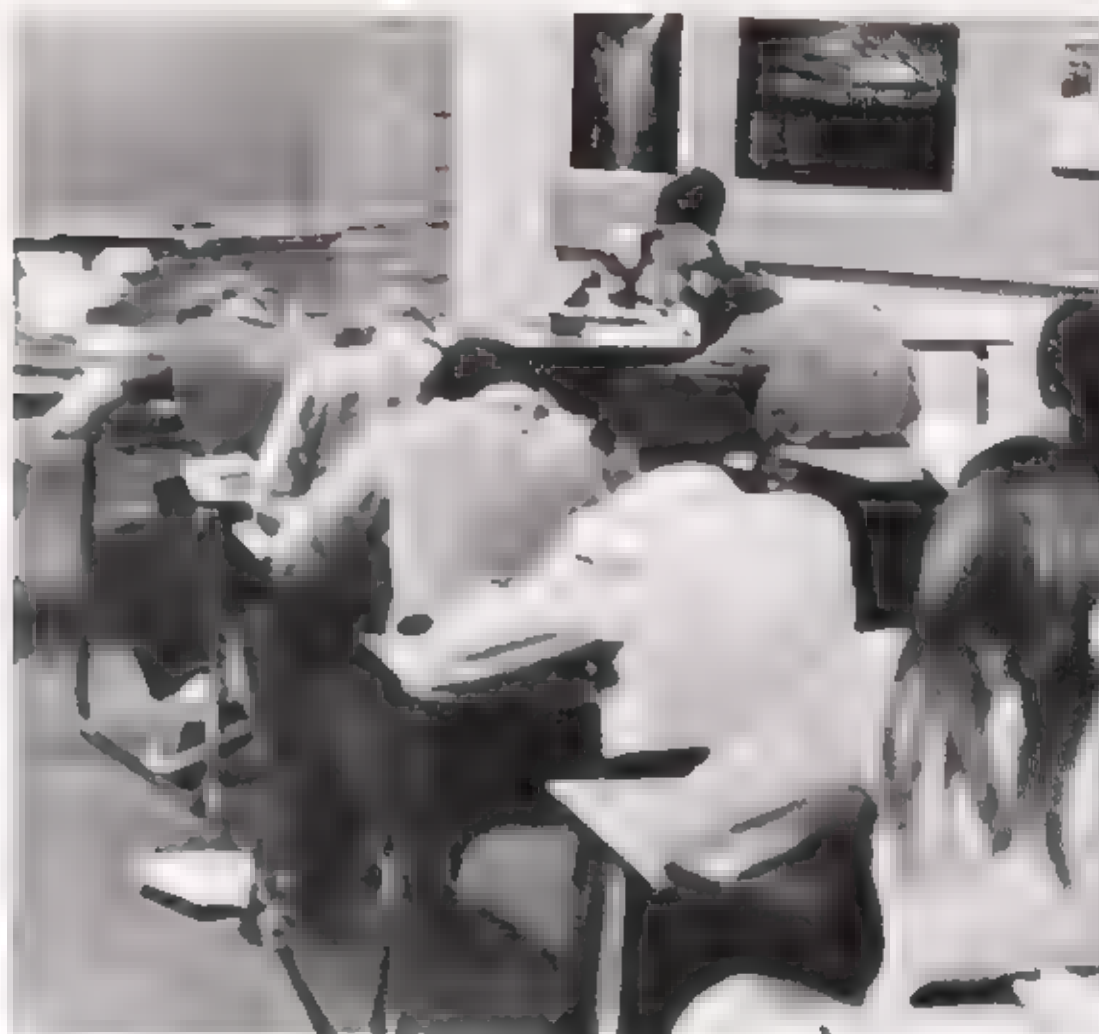

i've looked at life  
from both sides now,  
from win and lose  
and still somehow  
it's life's illusions  
i recall  
i really don't know  
life at all.

# Mr. Lane Supervises New School

Karla Barron and Bev Pedersen threaten to tell on Mr. Lane for being in the courtyard during class time.

Mr. Bill Lane, principal, helps supervise the hallways during the lunch hour.

More hallways, more classrooms, more teachers, and more students made the new school more work for Mr. Lane, principal, and Mr. Johnson, vice principal. Along with more work, however, came less crowded office space and less frustrations in dealing with crowded classrooms. The over-all atmosphere of the new building was more relaxing and both Mr. Lane and Mr. Johnson seemed to enjoy the change of scenery.

Mr. Jerry Johnson works on the athletic schedule for next year.

More room seemed to be the key to the new office area. A separate area for the ditto machine, the copy machine, and Mr. Johnson all helped in keeping the office bedlam down to a minimum. The one thing that didn't change was the office was still the coldest area when the furnace didn't work all winter and the warmest area when it did work in the spring and fall.

Below: Mrs. Donald Devore checks to see if it is time to ring those bells again. Bottom left: Mrs. Betty High posts the daily receipts into the record book.

Below: Cheri Harris learns to run the ditto machine as part of her office aide training. Bottom right: Mr. Lane and Mr. Johnson frequently check on what is going on in classrooms.

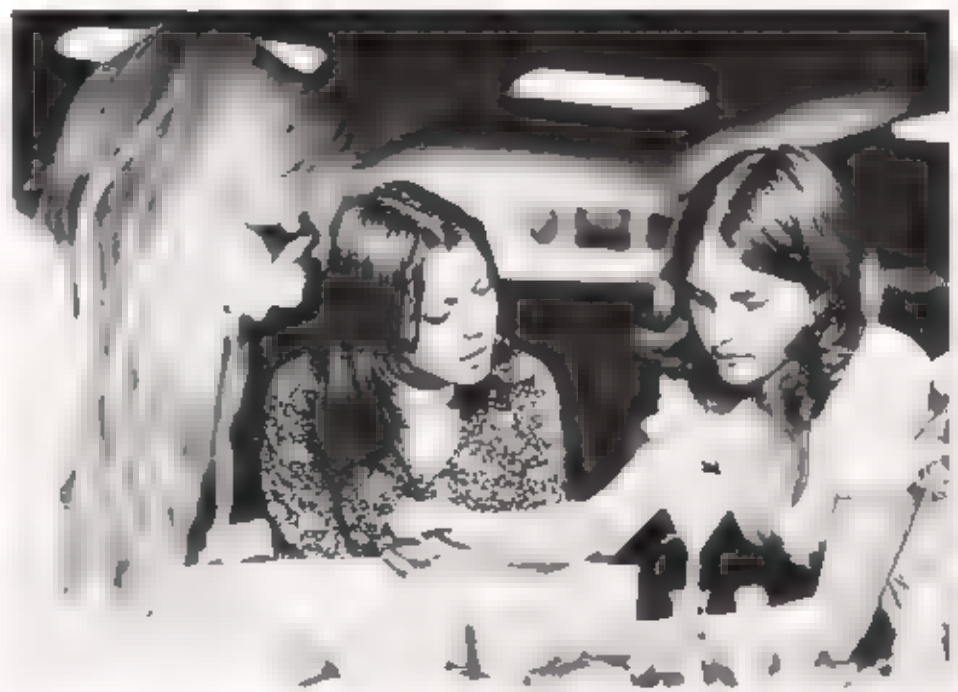

All science students must know how to use a microscope correctly.

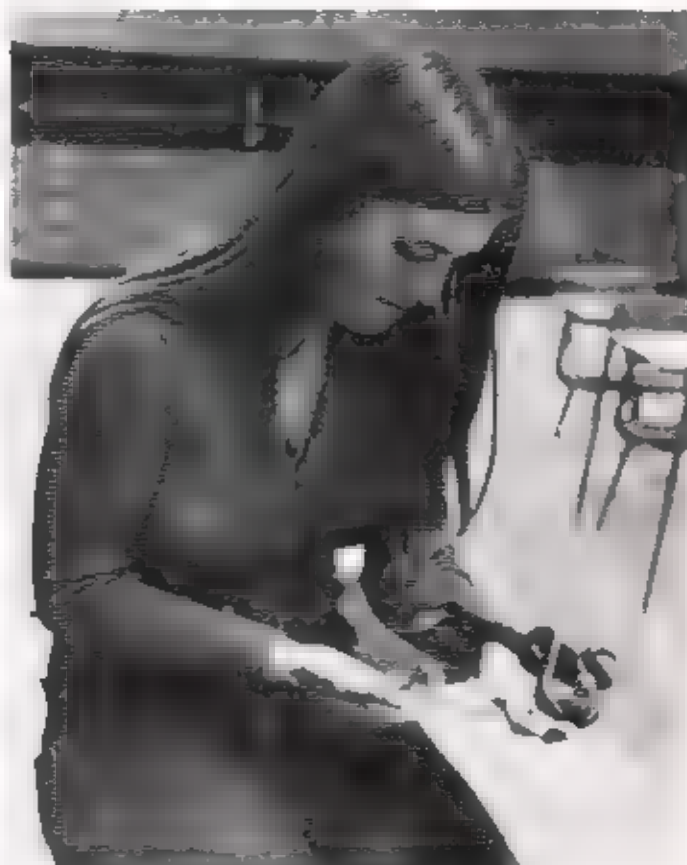

Jeanette Andert gets help on her science project from Mr. Earl Graham.

Top right: Mr. John Kerr is proud of his biology class. Above: Chris Greene, Julie Bothum, and Karen Wilcox work on their science experiment.

# Science Department Enjoys More Space

The science department enjoyed the addition of one classroom and storage area to their department. Mr. Godard and Mr. Kerr no longer had to share the same classroom and Mr. Andretta had REAL lab areas. All teachers and students enjoyed using the courtyard connecting the two science areas.

Top Left: Lloyd Stevenson and Mr. Dan Andretta enjoy a little "rock" joke. Top Right: Sue Fairclo makes a new friend. Above: Mike Rutherford and Mr. John Godard relax during Vertebrates of Klamath County.

# Computers Come to Henley

One of the highlights of the activities of the math department was the computer dating lists. Students that wanted to participate filled out a questionnaire, paid fifty cents, received a list of ten students suited to their personality and attended an I & I dance.

Top: Mr. Rich Pearson just can't believe one of the answers on this consumer's math test. Top right: Mr. Andy Travis makes sure each member of the class understands exactly what he means. Above: Bob Miles seeks extra help during I & I. Right: Mr. Al Gardner checks to see if his freshmen understand that you can take 3 from 2.

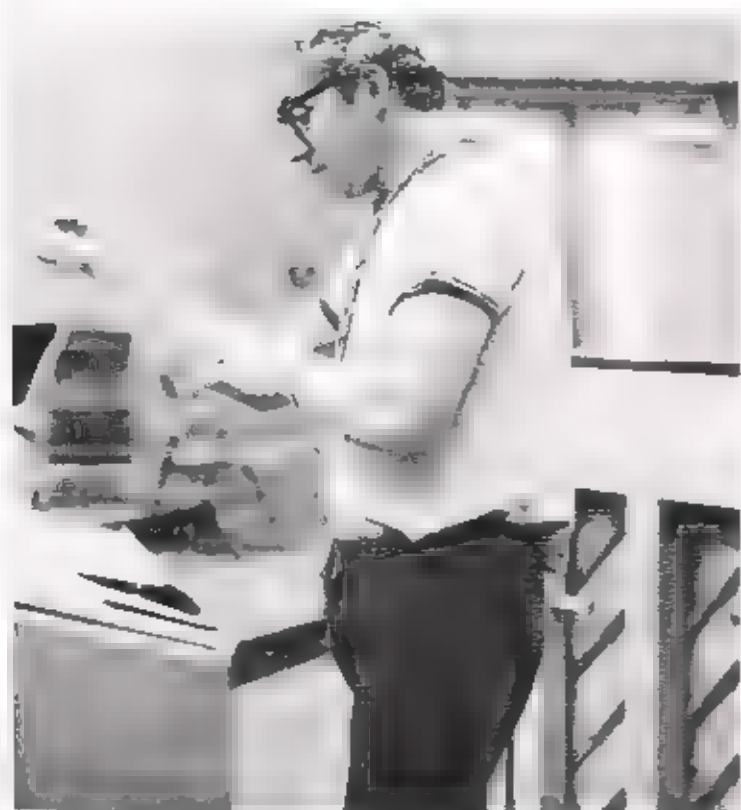

## Music Area Carpeted

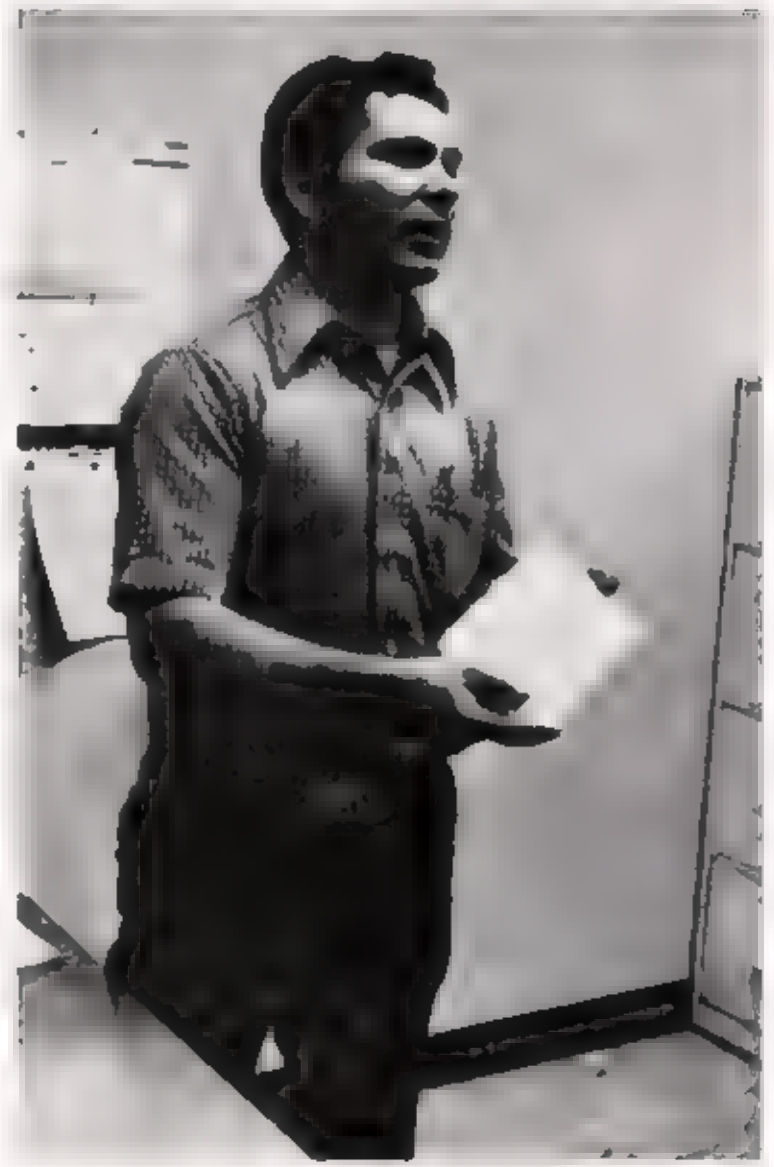

With separate rooms for choir and band, music could be heard in the south hall most of the day. Both areas enjoyed their new carpeted rooms.

Top left: Mr. Jerry Martin directs the marching band. Top right: The band played at graduation led by Mr. Martin. Center: Mr. Herbig directed the choir at commencement. Bottom left: Mr. Don Herbig teaches both choir and P.E. Bottom right: The percussion section is important to any band.

# Ag. Program Introduced

A new large shop and the introduction of an Ag program were the two big events in the industrial arts area this year. The new shop is considered to be one of the best AA shops in Oregon. Many students enrolled in the new agriculture classes and the program got off to a fine start with both the students and the community.

Top left: Mr. Lee Miles discusses shop rules with John Wescom. Top right: Mr. Dan Dodds tells his Ag. class about the upcoming field trip. Right: Kayle Smith works on his mechanical drawing project.

Fred Forsythe explains how he is going to use the new equipment to Craig Kirkpatrick and Jamie Berg.

The new shop area has many more activity centers and work areas.

John Canida wears the newly required safety glasses.

# Elective Classes Continue

The elective system continued to work in the English department. New classes offered this year were Literature of the Old West, Folk Lit., Basic Composition, Tournament Speaking and Debate, and English Seminar. One new teacher, Mr. Tom Omli, was added to the staff. The teachers enjoyed using the English office area for curriculum meetings.

Top left: Miss Barbara Wittmer accepts Ann Masten's paper before class begins. Top right: Mr. Tom Omli enjoys taking roll. Above: Gary Baker listens to Mrs. Kara Nielson explain what she wants on his next C.S.P. paper.

# Art Department Offers New Courses

Interest in the art department was especially keen in pottery, use of lapidary equipment and photography.

Above: Rick Risor asks Mrs. Ruth Patton for some advice concerning the use of the photography darkroom.

Top: Devery Saluskin and Mr. Tim Downey watch as Janice Smith works on her pottery project.

## home-ec Goes Co-ed

Due to illness in the family of Mrs. Clough, a change of teachers was made in the home-ec department at semester. Despite this, the home-Ec course offerings were numerous. Co-ed home-ec became a reality with the introduction of a course called Apartment Living. Other courses offered on a one semester basis were creative home arts, bachelor living, creative clothing, experimental foods, and independent home-ec. The only full year course offered was Home Ec I.

Above: Debbie Barrett hopes she has followed the advice given on the bulletin board and that her finished product will prove it. Left: Miss Vonnie Wilcox goes over the grocery orders with Stephanie Bushnell and Charla Bell.

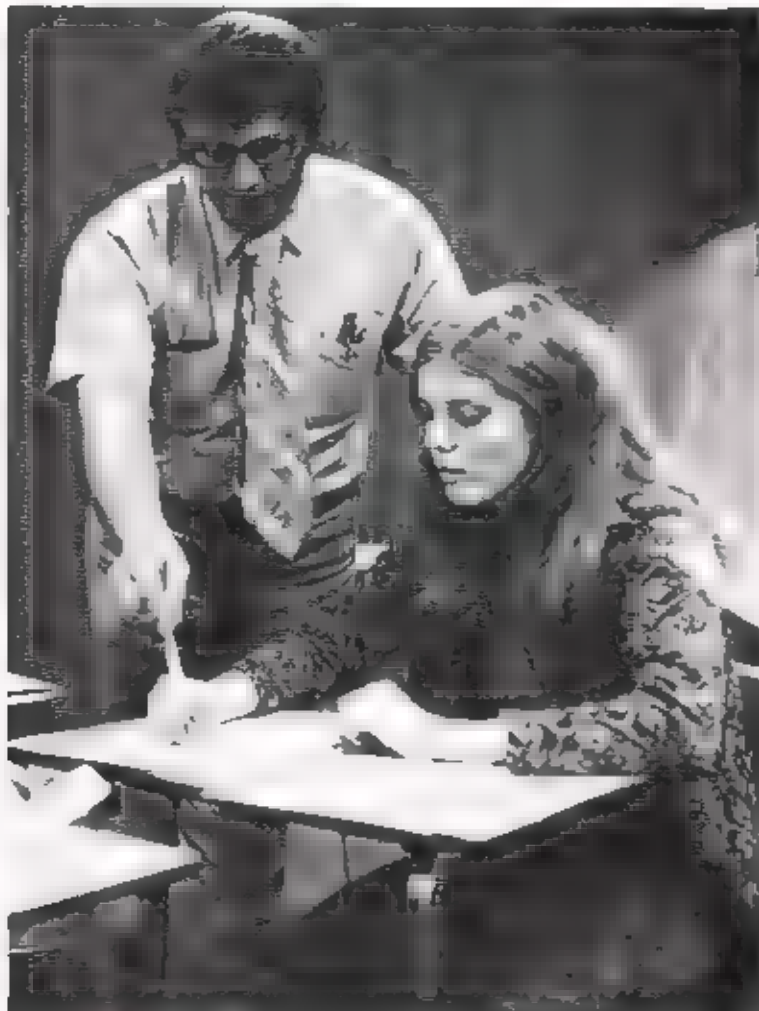

Top left: Mr. Claude Harvey finds it much more fun to teach health than it was to teach world history. Top right: Mr. Dan Kelleher prepares another test for his teacher's aides to grade. Above: Ed Wilson works with handicapped children at the TMR center. Right: Ms. Priscilla Speers listens to one of the CSP students explain the duties of his agency.

# Social Science Changes Curriculum

Below: Miss Sandi Schweitz explains her grading system to her freshman class.

Along with changing to semester courses, the social science department also changed the number of graduation credits needed in this field. The new requirements are 2 semesters of modern problems, 2 semesters of U. S. history, and 2 semesters of freshman or sophomore social science with at least one of these semesters being a multi-nation course. Some of the new semester courses carried very inviting titles such as YOYO (You're On Your Own), Grow or Die, and Who Am I? Senior students had an opportunity to earn their social science credits and be a service to their community at the same time through the CSP program. All of the social science classes were conveniently located around the library.

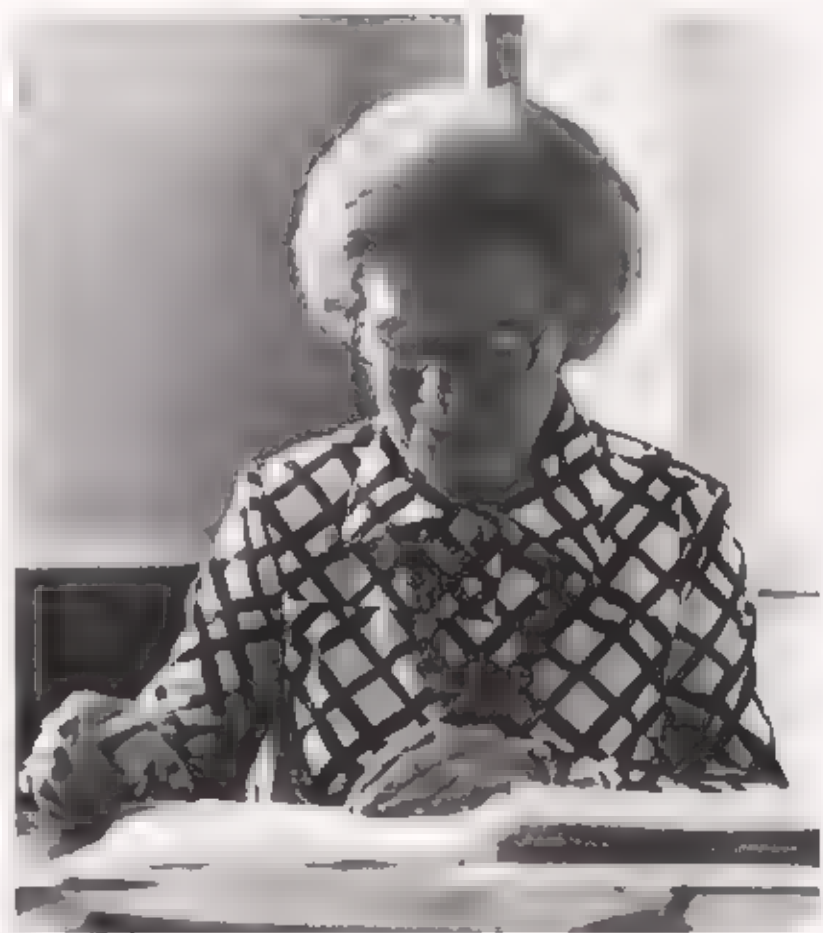

Above: Mr. Dale Hauck helps Karla Kulst with her YOYO budget.

Jerry Gutierrez and Kevin Harris rescue the United States and put it back in its proper brackets.

# Speed and Accuracy Taught

Top left: Mrs. Ruth Patton introduced a new idea in typing at Henley. Top right: Mrs. Virginia Blohm checks roll. Bottom right: Mrs. Margaret Heyden smiles over a mistake in the paper she is grading. Bottom Left: Julie Rokes, right, asks Marlene Gutierrez for some assistance.

# foreign languages Mastered

Mr. Gerald Gorseger has the job of teaching both French and Spanish. He has one of the more active classrooms in school with students studying, using the tape recorders, painting murals, and making scenery for plays and puppet show. At Christmas time the Spanish classes made pinatas. The classes also helped with the Christmas assembly by putting on a skit entitled "Christmas around the World."

Bob Blocker, Laura Cranford, and Lynda Hynes enjoy working in front of the language murals.

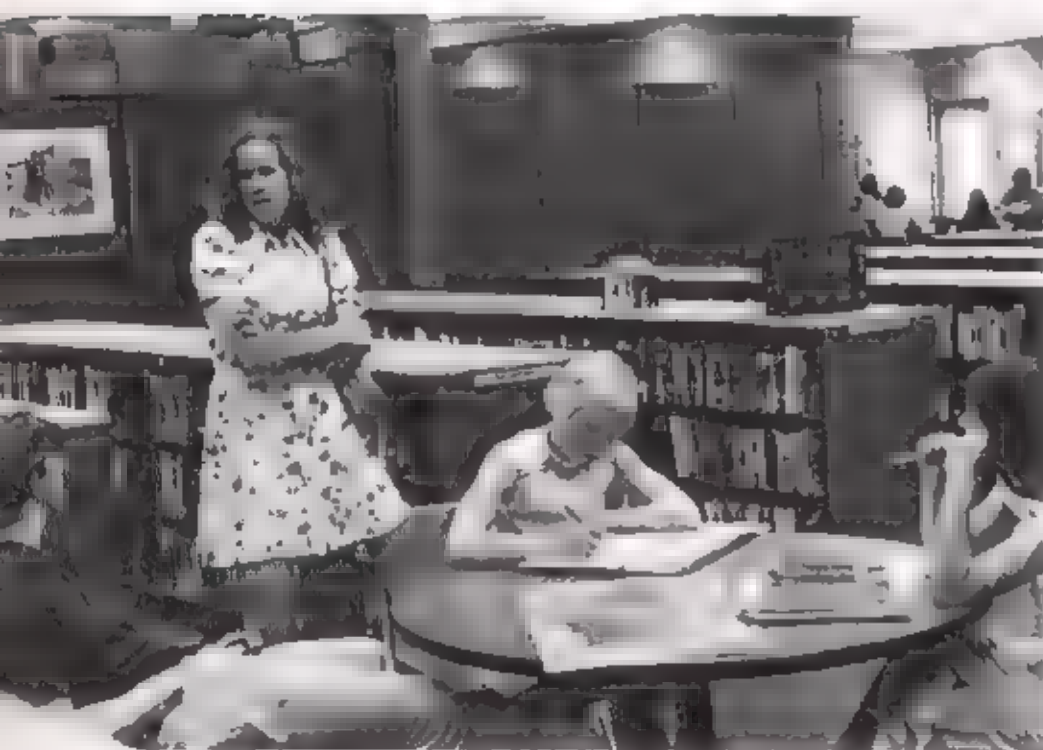

Top: Mr. Gerald Gorseger helps build a puppet stage. Above: Mike Smirnov and Robert Smith study their Spanish vocabulary lists.

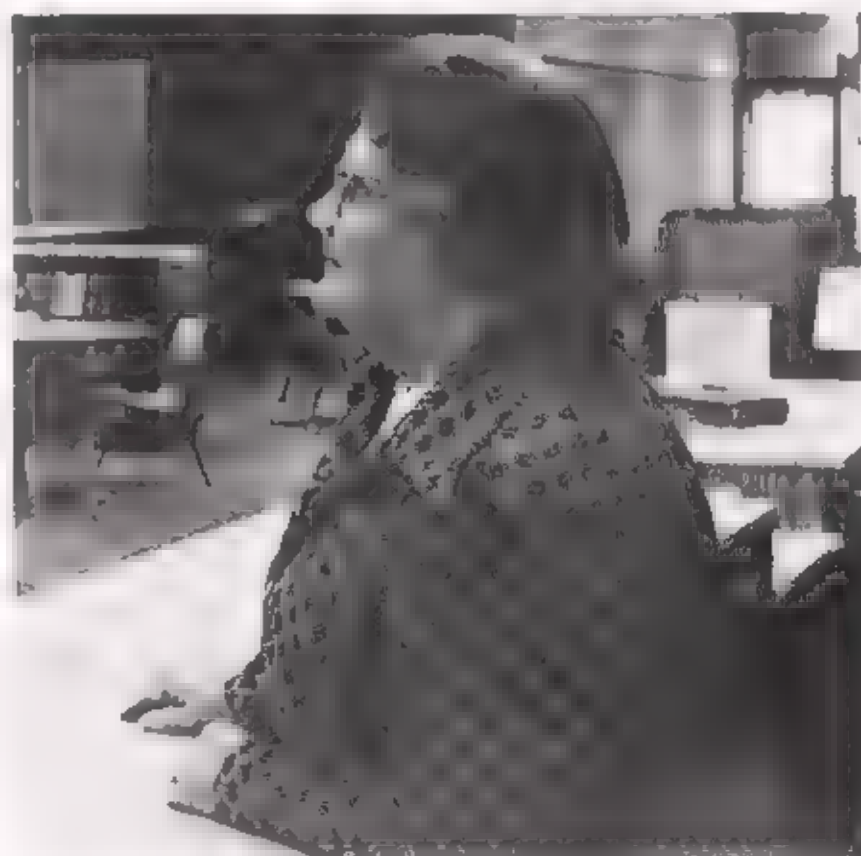

# LIBRARY Use INCREASES

The idea of open classrooms off the media center was a new idea to the librarian, teachers, and students. At first it was very confusing with everyone having to learn to keep down the noise. Students and teachers soon learned to use the resource center and the library area was seldom empty. The round tables and pleasant arrangement of books added much to the general atmosphere. The students also enjoyed the availability of the conference rooms. Mr. Funk was no longer hidden in the magazine room and Mrs. Ongman could actually move in her new A. V. Room. The library had become the center of HHS.

Above: Brian Rainwater, Sharolyn Cameron, Patti Willging, and Karlene Dearing find the library a pleasant place to study and exchange ideas.

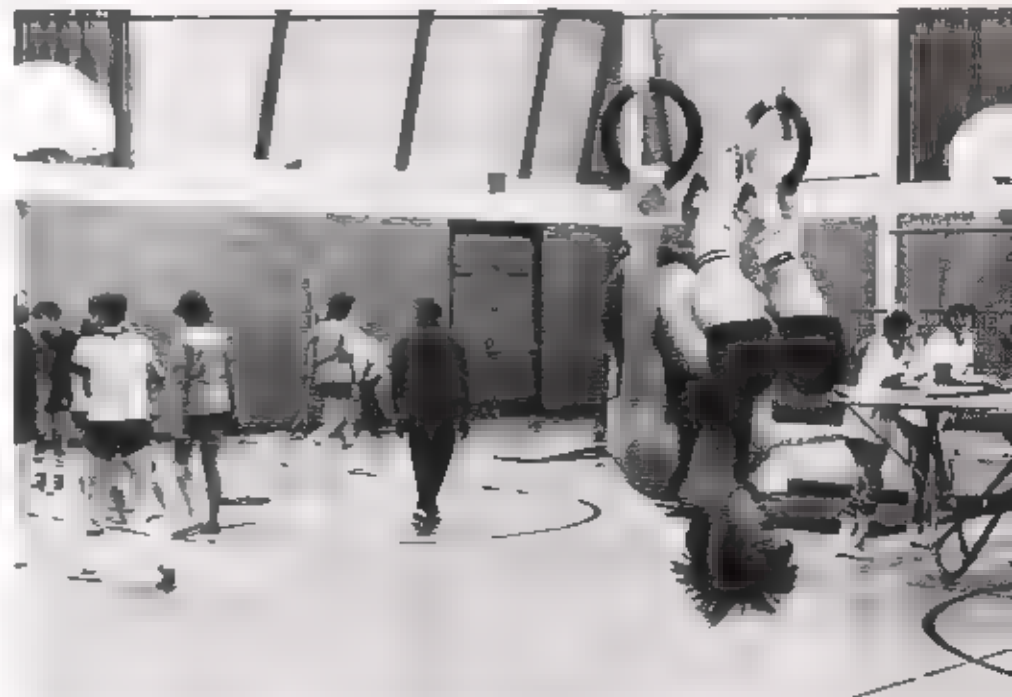

Top: Mr. Charles Funk, librarian, looks with pride at his new media center. Above: A. V. Director, Mrs. Ilene Ongman seems glad that all the films got back on time.

## p. e. and health Intermix

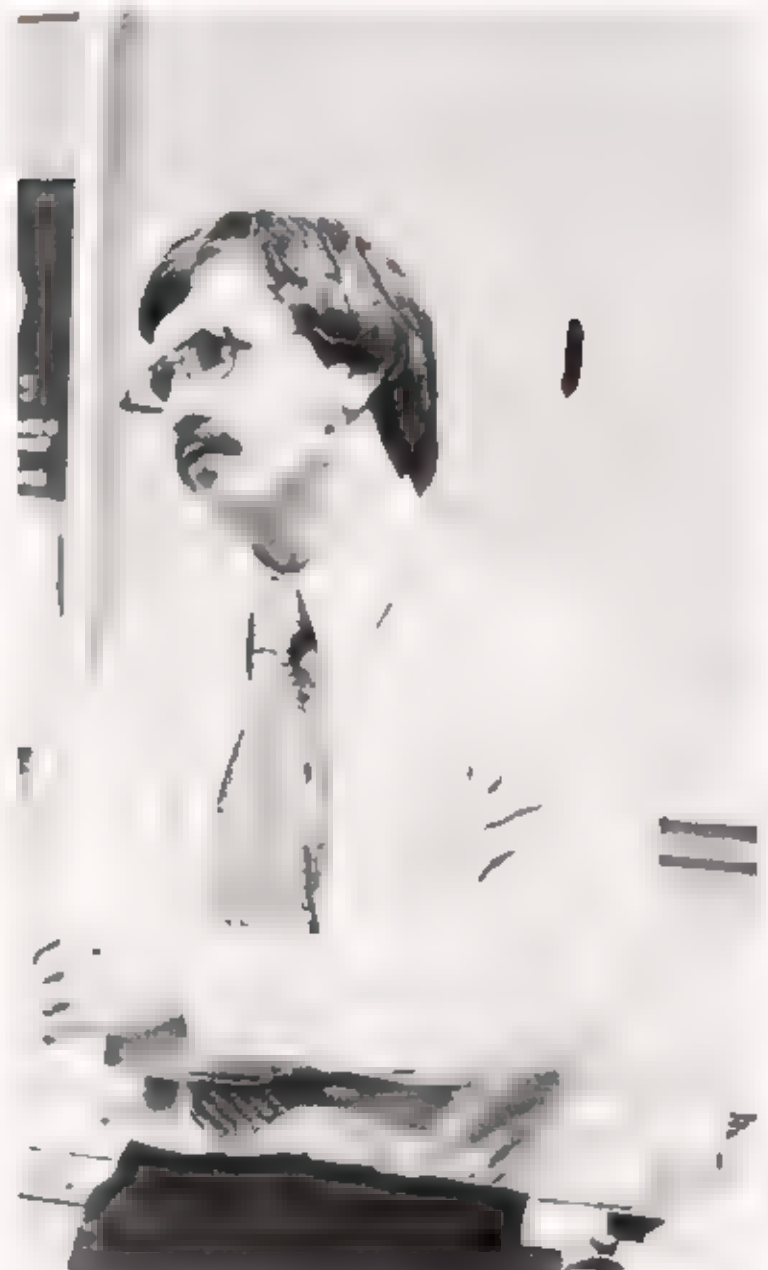

With two gyms, the P.E. department was able to offer a bigger variety of activities. Along with these activities nine weeks were devoted to health class.

Top left: Miss Norma Meinhardt prepares to referee a basketball game. Top right: Eric Bergstrom practices on the rings as Mr. Don Herbig supervises other gymnasts. Above: Basketball rules are discussed with the advanced P.E. class. Left: Mr. John Riggs checks with the counselor to see when the students will be transferred to health class.

# Counselors Guide Students

One of the busiest places in school is the counselling office. Students go there for advice on occupations, help in schedule changes, assistance in making college applications, and guidance in school affairs. Besides helping the students in this way Mrs. Margaret Heyden and Mr. John Snodgrass take care of transcripts and scheduling of all students.

Ruth Brandt and Nancy Mack find out the ins and outs of college applications from Mrs. Margaret Heyden.

# Faculty Trounce Seniors

In the annual faculty-senior softball game, the faculty took an early lead and went on to win easily 14-3. It was a beautiful day for a game and a large group of students watched the old-timers at work.

# Teachers Share Thoughts

Just what are teachers really thinking when they give you the evil eye? We think that if their inner thoughts were spoken they might be something like this.

Top left: "I'll teach them chemistry if I have to beat it into them." Top right: "Maybe if I turn my back they will go away." Far right: "That kid got away again. I'd go after him but Yeoh." Right: "I never could tell which from witch."

Left: "I'm just like Pinocchio. The more lies I tell the longer my nose grows."

 looking project I've ever seen." Bottom center: "Boy am I glad to see that kid  
 graduate." Bottom right: "Why, it's a picture of Mr. \_\_\_\_\_."

# Students Serve The Community

Community Service Program is an on the job citizenship program for interested students. Students are permitted to work in agencies where they have an interest. Students also do volunteer work in the community such as donating blood, helping with various drives, and participating in the Mickey Mulligan Show for the United Good Neighbors.

The students worked for many types of agencies in the community such as the Health Department, Hospital, City Police, Forest Service, Chamber of Commerce, Trainable Mentally Retarded Children, various nursing homes, and several private businesses. Students also had an opportunity to pursue career interests as well as learning about our community by serving in agencies such as the City Planning Department and with various Doctors.

Each student spent over 250 hours in their agency and learned much about Klamath County.

## Band Gets plowed Under

There were a lot of people who attended the Sweethearts Ball, except for some very important ones - the Band. Due to circumstances beyond our control the Band was unable to attend, because they ran into a very big problem - a snow plow. But everyone still had a good time anyway dancing to records and tapes.

Right: Ronda Callaway sang "Raindrops Keep Falling on My Head." Bottom right: The Soul Sensations "get it together." Bottom left: The Don Johns told us they were graduates of the National Embalming School. Below: Rick Romvedt gave a humorous interp. entitled "Noah and the Ark."

Bryan Blodgett, Master of Ceremonies, kept the program going with his avid talent at getting your attention while he introduced the "bum" performances. Prizes were given for the best costume. The best girls costume award was given to Cheryl Daniel and the best boys costume went to Mike Jones. Hobo Reunion was sponsored by the music department under the supervision of Mr. Don Herbig and Mr. Jerry Martin.

# hornets make homecoming history

The Henley Hornets, the first team in Oregon to use the Kansas Overtime Rule, defeated Eagle Point 3 to 0 in winning their first Homecoming since 1967. The Kansas Plan allows an overtime period in order to eliminate ties. Tim Simmers kicked a field goal to give the Hornets the victory.

Prior homecoming activities included Color Day, Nostalgia Day, Stomp 'em Day, and Sock-it-to-'em Day. Following the game the Dance team sponsored a dance featuring the band LAZARUS.

## Pep Club Earns Money

Even though a very small club, the Pep Club proved to be a profitable one. The group earned enough money through car washes, working in the concession stand, and baked food sales to purchase a trophy case for the school and to give two scholarships. Earlier in the year the girls purchased new skirts and sweaters and the club bought new blouse tops to complete the uniform.

Chosen to serve as majorettes for the year were Rhonda Steers, Robin Wells, Terrie Claunch, and Candy Terry.

Above: Robin Wells. Right: Terrie Claunch.

Tryouts are held each spring for majorettes for the following year. If chosen, the girl must then sign-up for a class of band. Major responsibilities for the year are to work with the band at football games and parades and to perform at pep assemblies and basketball games. At the beginning of the '74 school year there were five twirlers. During the year, Sandi Manning moved and the group finished the year with just four.

Top left: Rhonda Steers, Above: Candy Terry. Top right: The majorettes did a routine for the Christmas assembly. Bottom right: The majorettes work with the marching band.

The Thanksgiving Assembly is annually presented by the acappella choir. This is usually the first performance of the group and is a serious assembly. The next time the choir sings is at Christmas, singing both in the Christmas Concert and in the Christmas Assembly. This year the choir also sang at the Shasta Plaza. Yearly the alumni of the choir are invited to help sing the final number of the Christmas Concert, THE HALLELUJAH CHORUS. In the spring the choir helps put on the talent show and helps present a Spring Festival. They finish the year by singing at graduation.

# CHOIR SINGS at CONCERTS

A group that puts in a lot of extra time just because they like to sing is the Small Ensemble. Meeting one morning a week before school are Cheryl Daniel, Debbie Antle, Cynthia Miller, Jean Born, Rhonda Riach, Connie Schmidli, Cheryl Blofsky, Mitch Leach, Mike Stevenson, Tom Riach, Ricky Leach, Mike Bliss, and Rich Miles. Seated are Diane Sandusky, Janese Sharp, John Cahoon and Bill Segesser.

## Officers hold Workshop

Student Body officers elected for the 1973-74 school year were Jack Wedam, president; Gail Hildreth, vice-president; Karla Kuist, secretary; Dan Stevenson, treasurer; Mike Bliss, advertising manager; and James Farmer, fire marshall. Some of the accomplishments of this year's officers include getting a coke machine in the foyer, setting up the I and I pass system, holding a student officer workshop with other schools in the league, and finally getting a student lounge.

Below: Jack Wedam presents the memorial scholarships at graduation.

Above: Karla Kuist waits patiently for the start of the varsity game. Above right: Gail Hildreth studies for her French final.

# Pep Band adopts Theme Song

Selected members of the concert band make up a group known as the Pep Band. With their bright yellow shirts and their jivey music, they add a lot to the basketball games. From their school song to their "Eat 'em up, Eat 'em up" they keep the spirit alive.

The marching band not only performed at half time of the football games, they also played during the game.

You would be out of focus, too, if someone had just changed the cymbals in your ear. Even so the officers for this year's band - Jean Born, Karl Anderson, and Kris Anderson - did a fine job.

# Language Club Gives Scholarships

The Foreign Language Club is divided into two sections, French and Spanish. While each section has its own activities, the club functions as one. Through planned joint efforts the club was able to give two scholarships this year. Winners were Gail Hildreth and Debbie Sabo. Activities of the club included a Spanish version of SNOW WHITE AND THE SEVEN DWARFS in play form, skating parties, movie parties, and dinners. Most members of the club are enrolled in foreign language classes.

Members of the French Club include, front row: Greg Strickhausen, Craig Kirkpatrick, Shelley McLeod, Cindy Thorsen, Terri Swanson, Paula Davis, Stephanie Bushnell, Barbara Young, Missi Turner, Cheryl Brown, Mark Wilsdon, Devin Travis, Don Depuy, Gary Roberts, Dean Cameron, and Holly Daniel. Back row: Helen Noonan, Kelli Roberts, Pam Reddington, Julie Stewart, Jackie Hume, Carolyn Masten, Kim Metler, Sharon Young, Pam Scott, Gail Hildreth, Kim Kambak, Valerie Freirich, Jean Born, Cheryl Kirkpatrick, and Carolyn Ross.

Combining the arts and language, the Foreign Language Club put on the play, SNOW WHITE AND THE SEVEN DWARFS. The play was narrated in Spanish as was all the dialogue. The songs, however, were in English. Because the story is so familiar, even people who could not speak Spanish could follow the action.

Top left: Susan Emmert, Janese Sharp, Kim Kambak, Wendy Collman, and Caroline Emmert sang for the talent show. Top right: The Foreign Language Club did Christmas around the world for the Christmas assembly. Right: Helena DeHoop sang the part of Snow White. Excitement ran high when the Dance Team tied for first place in the costume division of the first official state dance and drill competition. It was even greater when they took first in the dance competition itself. Henley became the first official STATE CHAMPIONS.

## YEARBOOK Staff Confused

By the time the yearbook was ready to print, most of us were too tired to stand on our own two feet. So we didn't. If the yearbook is a little confused, at least now you know the reason why.

# Gymnastics Scoring Explained

Gymnastics scores are based on the following: Four judges score each gymnast, awarding a number of points for the performance.

- 1.5 Originality and value of combination
- 0.5 Organization and composition
- 4.0 Difficulty
- 1.5 Amplitude
- 1.0 General impression
- 1.5 Execution
- 10.0 Total

The individual scores are added together at the end of a meet for team scores. This year the team entered five meets.

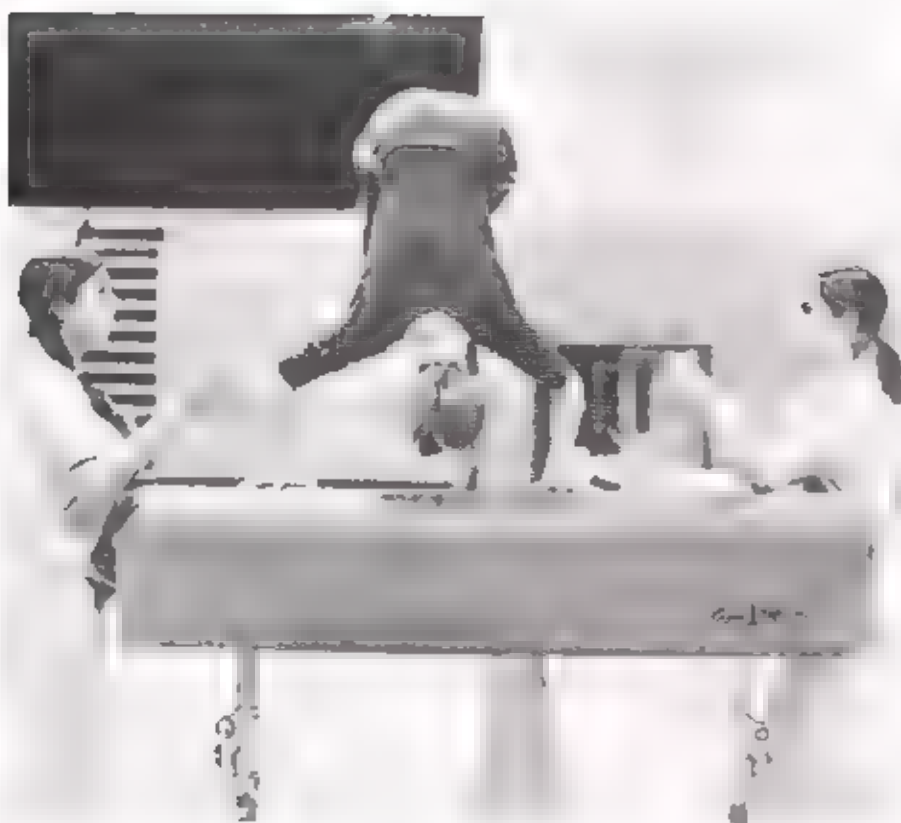

Oct. 9	K.U.	23.65 pts
Oct. 23	Lost River	30.20 pts
Nov. 3	Phoenix	29.10 pts
Nov. 6	Lost River	31.15 pts
Nov. 13	District	27.90 pts

Outstanding gymnastic performances were given by Ann Masten on balance beam, Sue Quinowski in floor exercise, and Donna Detroit on the unevens. Donna was also named the most improved gymnast.

The following girls made up the gymnastics team this year. Donna Detroit, Charla Bell, Sue Quinowski, Barbara Young, Linda Woods, Michelle Freirich, Valerie Freirich, Chelly Rushing, Bev Pedersen, Stephanie Bushnell, Sherie Bryan, Janet McAuliffe, Ann Masten, Lani Bair, and Tracy McAuliffe. Standing are Joy Williams, manager, Miss Meinhardt, coach, and Robin Wells, manager.

Being on a gymnastics team can take a lot out of a person.

## Hornet Girls Turf Trot

With a new all-weather track and co-ed meets, Girls' Track proved to be fun and exciting. Two girls from the team placed second at district and were able to attend state. Janice Wilson placed in the 100 yard dash and Joy Williams placed in the discus throw. While neither girl was able to place at state, the trip was educational.

Outstanding members of the team were Cindy Traver, Nancy Peters, Janice Wilson, and Joy Williams.

# Tough Teams

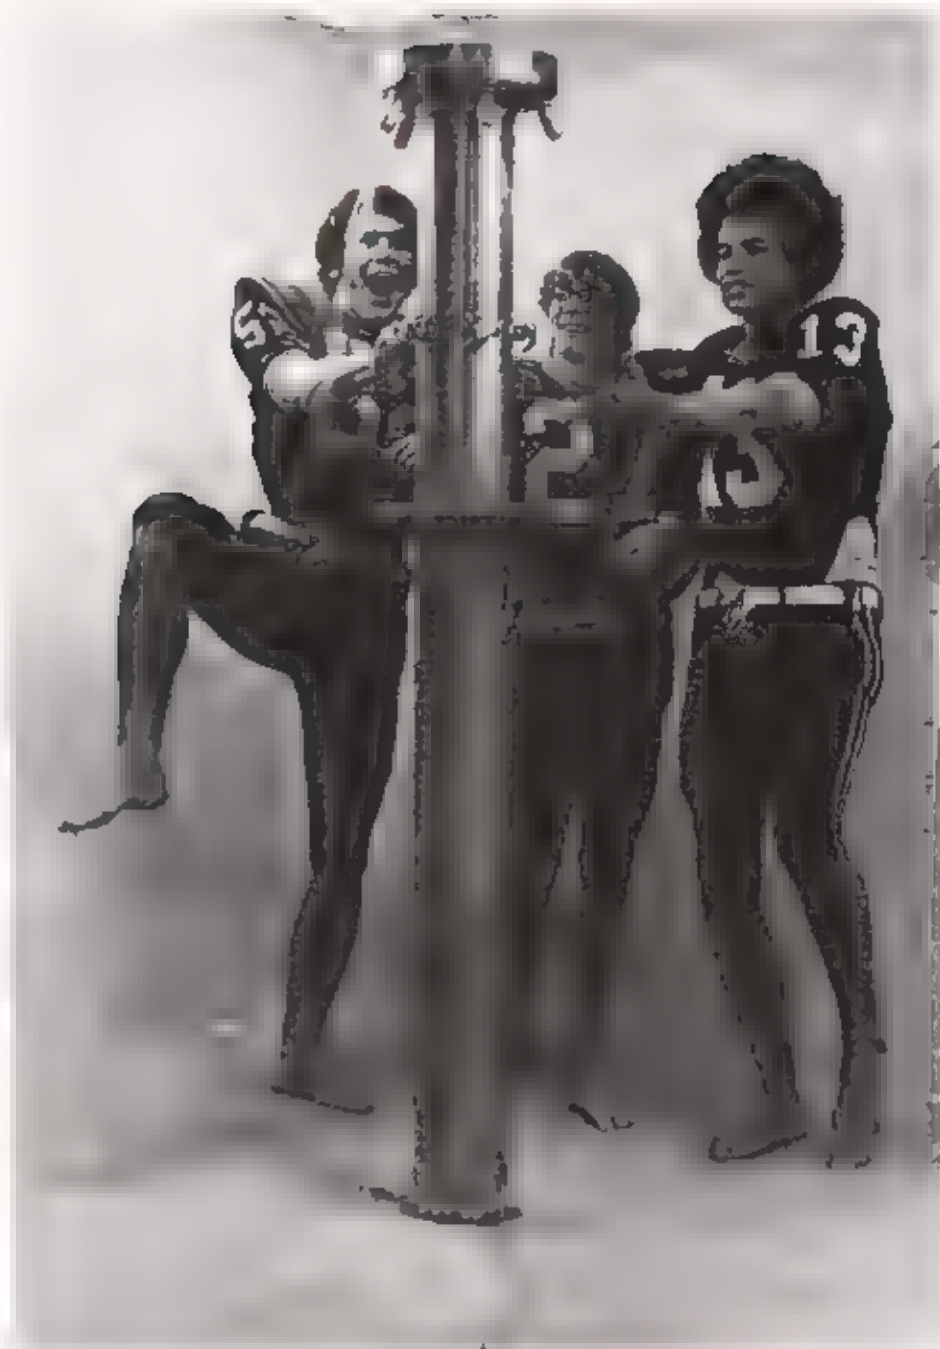

The 1973 football team saw a lot of action. The pictures on these two pages show just a little of this great sport.

## Wedam, Comfort, and GANSBERG Make All- Conference

Named to All Conference this year were Al Wedam, Ron Gansberg, and Dan Comfort- Honorable Mention; Al Wedam was also named to All State. When the team heard about their honors, the boys were sent to the showers, clothes and all.

Below left: Coach Harvey's advice helped Ron Gansberg to be named All Conference. Below right: Coach Harvey gets congratulated by alumni Vince Mazzier and other bystanders.

## Coaches Lead Team To Victory

The Hornet football staff added a lot of unity to the team. With his good advice Head Coach Claude Harvey wanted his team to participate as a family. Coach Dan Andretta also had helpful hints for the players. This year was Coach Tom Omli's first year with the Hornets and he added a lot of enthusiasm to the team.

Below left: Coach Omli explains another play to Loyal Garboden. Below right: Coach Andretta hopes that this play goes the way it was planned. Right: Watching his team in action is Coach Harvey.

Front row: Roy Wright, Jamie Berg, Don Depuy, Ed Case, Ken Womack, Ken Masten, Brent Rose, Ron Gonzales, Phleet Greear, Willie Simonds, Brian Findlay, Ron Dendauw, John Steber, Mark Pace, Gary Roberts, and Mark Swisher. Back row: Coach Tim Downey, Burl Baker - manager, Torrey Saratzki, Mike Bixler, Jerry Jennings, Dave Fadling, Cory Crebbin, Delbert Ellis, Rod Owen, Devin Travis, Eric Bergstrom, Leland Swindler, Herb Oakes, Steve Mitchell, Fred Forsythe, Coach Al Gardner. Not pictured: Craig Kirkpatrick, Charlie Green - manager, and Bill Biggs - manager.

Football can be exciting even from the sidelines.

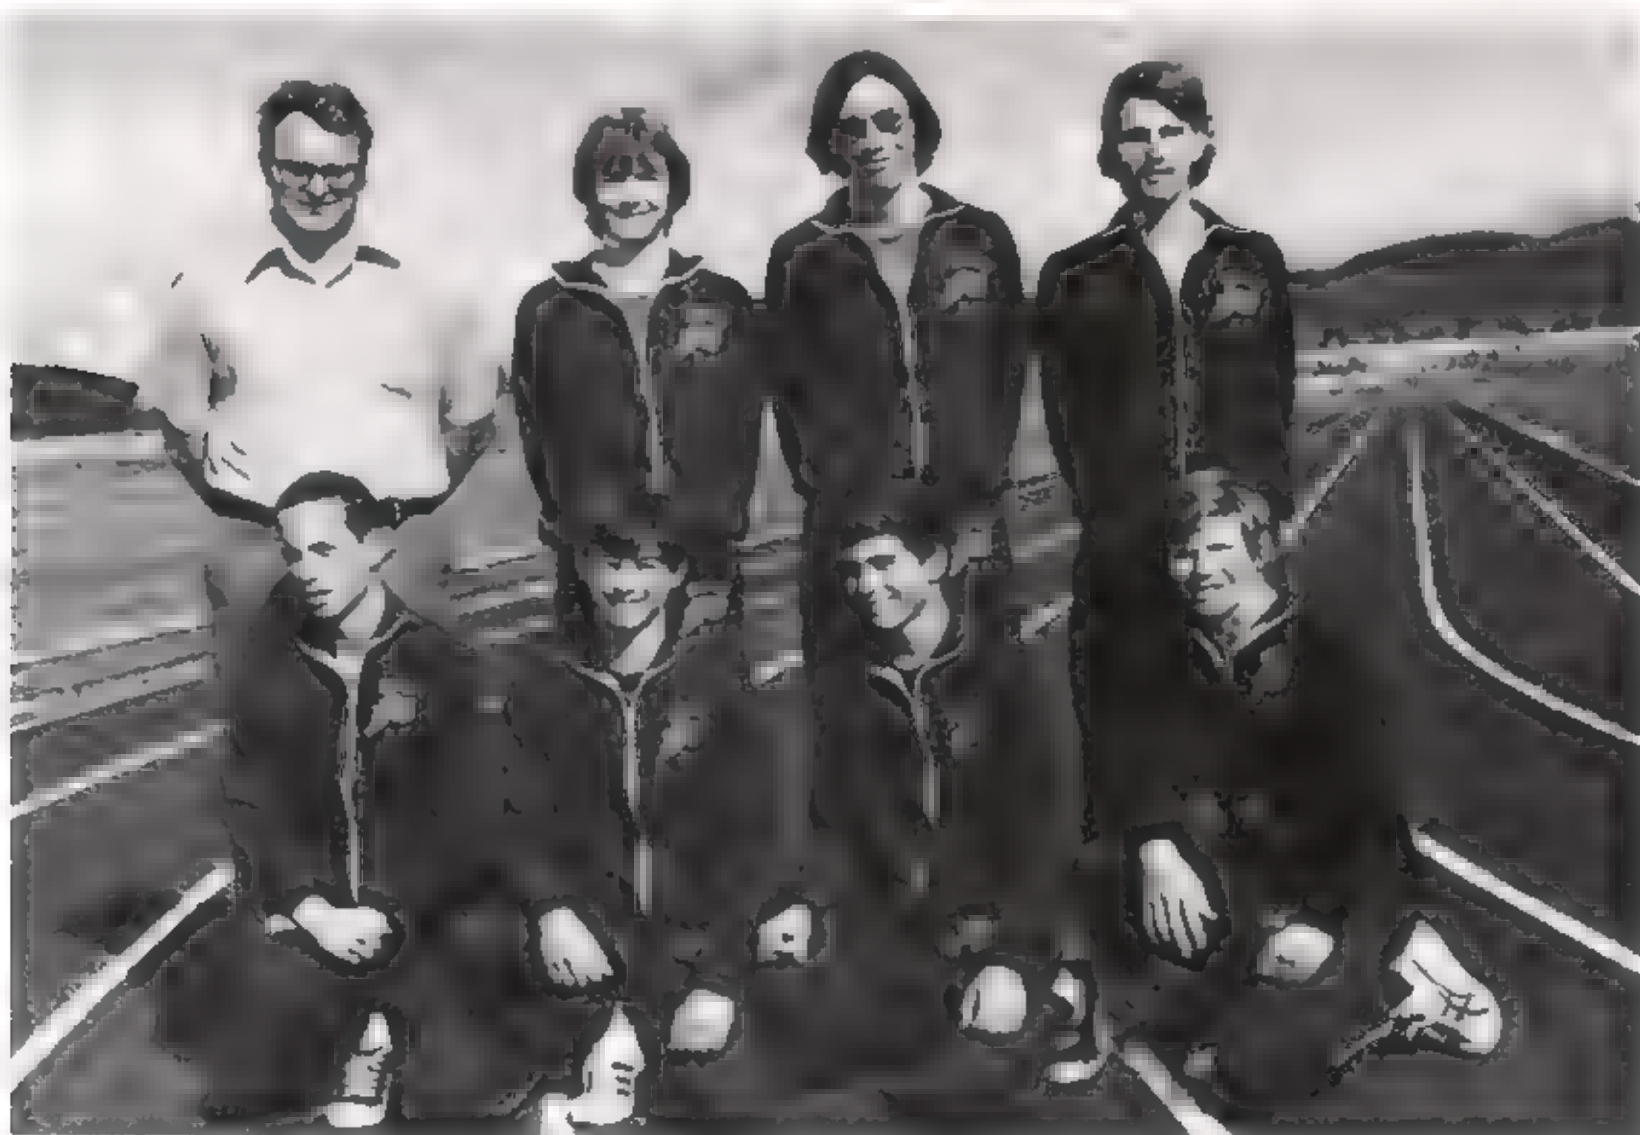

## freshmen Sting Opponents

With such a large freshman turnout for football, the uniform situation left something to be desired. However, this did not stop the boys from having a winning season. The boys were coached by Al Gardner and Tim Downey.

## Cross Country Team Stays Small

Even though they are few in number, these boys were dedicated to their sport. They are Coach Ken Hamacher, Randy Castleberry, Don Abbott, Kent Pedersen, Jim Farmer, Warren Zaiger, Wayne Zaiger, and Mike Brown.

The yearbook staff really goofed when it came to taking pictures of the cross country team and we apologize. We realize that the seven boys and their coach worked hard and we are sorry we did not get pictures at one of your meets.

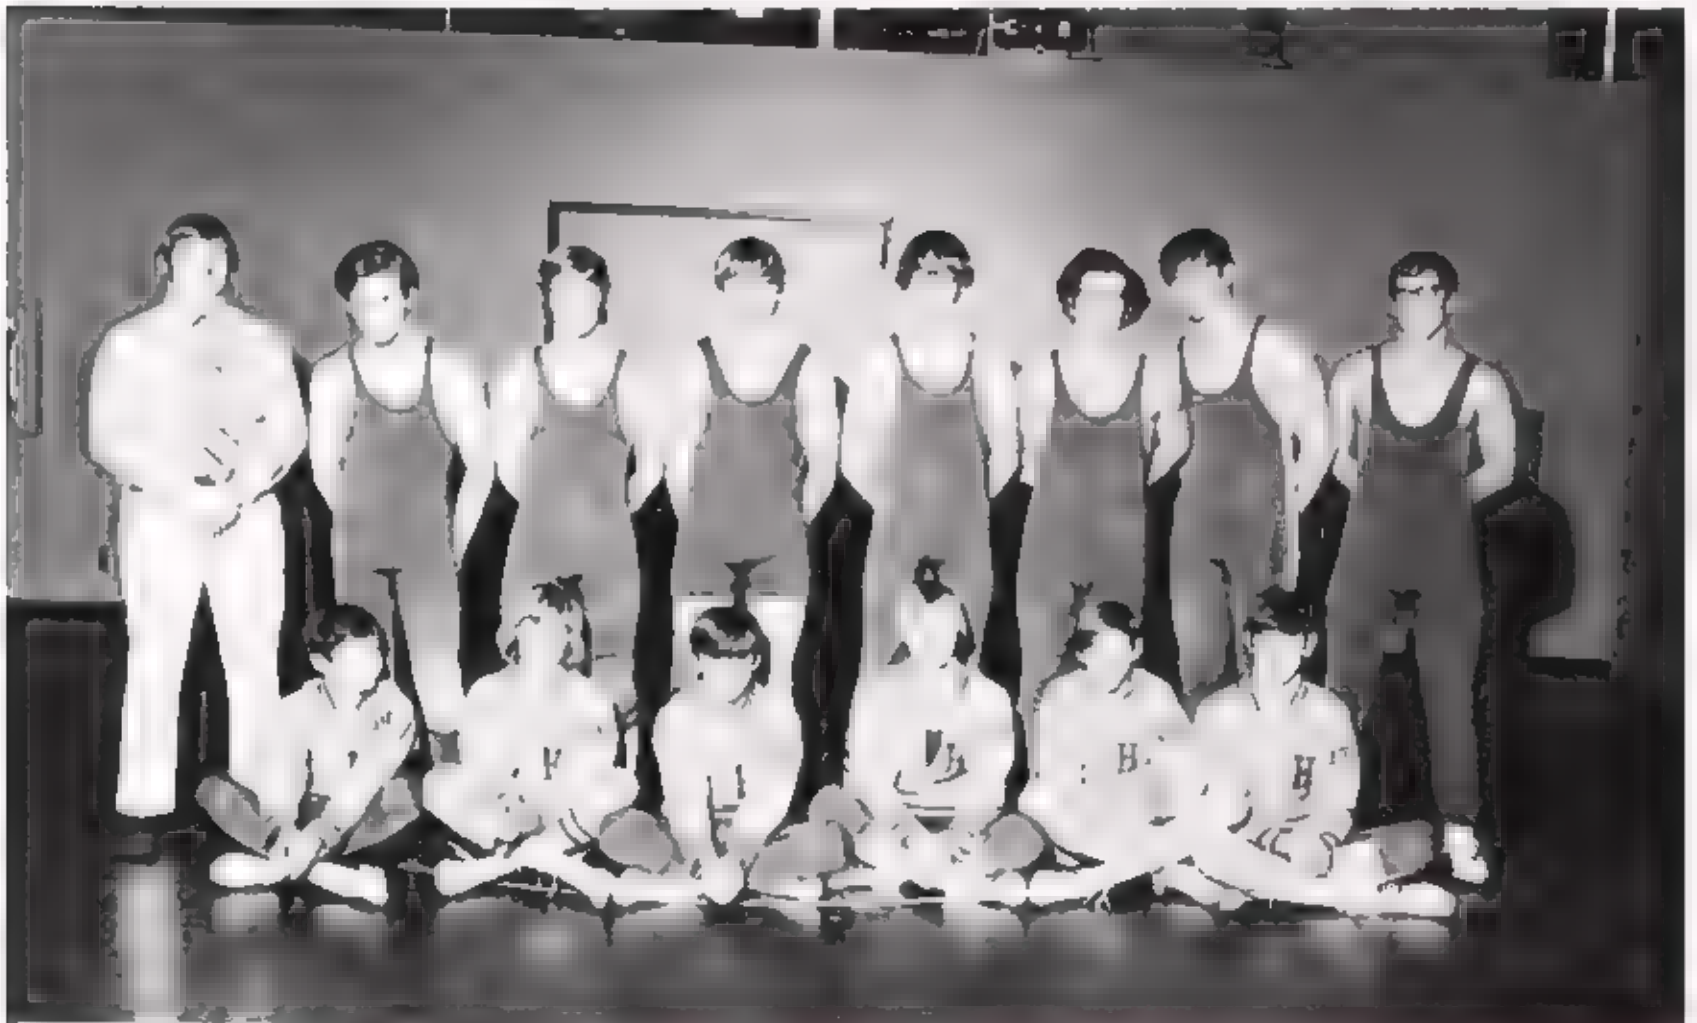

Top: The two seniors on the cross country team were Kent Pedersen and Don Abbott. Left: Zaiger keeps in shape for Cross Country by participating in track.

# Grapplers host District meet

Hosting district was a lot of work but very gratifying. The meet ran smoothly and the wrestling team and the school both received many compliments on the job well done. The wrestling experienced a year of building and with just one senior graduating from the varsity team, expect to have a good season next year.

Right: Coach Tom Omli signals that the wrestler is A-OK. Below: The thirteen men making up the varsity wrestling squad try to look tough. Managers and Coach are Dave Francisco, Coach Dan Andretta, Jack Sharp, and Ron West.

# Coaches Thoughts probed During Basketball

Coaching is a rough sport. When the team is winning it is a great team but when they lose it is a poor coach. Sometimes it pays to let off a little excess steam.

## J.V.'s Post Good Record

The junior varsity basketball team had the most successful season ever with a scoreboard of 20 wins and 8 losses.

Coach Riggs again worked with the boys to bring about this winning season. Things look good for next season's varsity.

This year's Freshman Rally were Michelle Freirich, Kim Metler, and Lani Bair. It was a long and tough season for these girls, but you could always count on them to help build up the spirit for their team because they never gave up hope.

Members of the large '74 track team include, standing, Coach Claude Harvey, Jon Zbinden, Randy Baumgartner, Jim Rockholt, Jim Farmer, Lance Jones, Rod Bathurst, Bob Miles, Mark Fadling, Dennis Telle, Bob Shulmire, Bob Blocker, Randy Castleberry, David Jarschke, Mark Wilsdon, and Rob Sluga. ## Track and field Events Popularized

The 1974 track turn-out was one of the largest in Hornet history. Coaches were Claude Harvey and John Riggs. One of the interesting events for the year was the introduction of co-ed meets and co-ed events.

Above left: The only two seniors on the track team, Bob Shulmire and Steve Tedesco, were also the first and second legs of the 440 relay team. Above right: Ron Gansberg hopes for a soft landing.

Having a new all-weather track proved to be both a help and a hinderance to the track team. It was very nice to have good track facilities for practices and meets but everyone else in the county also liked the track and it was in so much use that it definitely interferred with practices.

Gary Cheyne proved to be one of the outstanding hurdlers.

Above: The 4 x 110 sprint relay team included Jon Zbinden, Bob Shulmire, Jeff Bixler, and Steve Tedesco. Top: Gracefully (?) jumping the low hurdles are Ken Womack, Mike Stevenson, Bob Miles, Steve Dewey, and Randy Baumgartner.

# Juniors Decorate

As always, the main activity of the junior class was putting on the prom. There seems to be a never ending list of things to do for this yearly event. Earning money, setting a date, selecting a theme, locating a place for the banquet and movie, planning the decorations, finding a band, picking the court, and decorating, decorating, decorating, kept the class busy for most of the year. They did, however, find time to build the winning homecoming float.

Top: Women's lib took over when election time came around for the junior class. Officers were Robin Wells, secretary; Sue Quinowski, vice president; Nancy Peters, president; and Maria Lynn, treasurer. Right: Scott Fabor learns to march and play his tuba at the same time. Above: Chosen to represent the juniors in student council were Dan Hinchee, Candy Terry, Debbie Rose, Caroline Emmert, Jean Born, and Rich Miles.

## SENIORS

# SENIORS REIGN SUPREME

"As the freshman class, we thought that the big day would never come for us. We were new at the many activities that surrounded us, so we just stood back and tried to see how things were done. At homecoming time, our float came in last place. A little higher ranked as sophomores, we had a memorable year. We held a magazine sale and ordered our class rings. At homecoming our float came in third. Our class had plenty of spirit that year, for we often won the spirit stick at pep assemblies. As underclassmen, we were ready to go on. The junior year was a fun and busy one with many activities such as the T.V. raffle. Our float again came in third. In the spring the prom centered around the theme "Just an Old-Fashioned Love Song." As mighty seniors we approached this year with each of us trying to reach that one goal. The year brought on the spirit of '74" with the senior banquet, the senior prom, senior hick day, and senior dress-up day. Our homecoming float came in third...again. The senior girls had a suspenseful year waiting to see who would be homecoming and prom queens. Everyone had that good feeling of being the first class to graduate from the new building. As we look back on these four years, we find ourselves ready to travel the 'Long and Winding Road.'"

Cheryl Daniel

Officers for the year were Al Wcdam, Judy Andert, Valerie Freirich, and Debbie Balin. Reg. room reps were Judy Andert, Cheryl Daniel, Bev Pedersen, Sherry Thompson, and Mike Jones. A typical third place float.

# Seniors and Parents Attend Banquet

The annual senior banquet for seniors and their parents was well attended this year. The parents decorated the banquet room at Big Bert's, using the graduation theme of "The Long and Winding Road." Artificial white roses were placed on each table and decorations were mainly blue and silver. The evening began with a punch hour. Seated at the head table were the Reverend Dick White and his wife, senior class advisors and senior class officers.

Top left: Diane Sandusky finishes her meal and waits patiently for the entertainment. Top right: Three seniors enjoying a last get-together are Gary Houck, Robbin Viets, and Cheryl Blofsky. Bottom right: Jim Monroe and his mother participate in the punch hour before the banquet. Above: The seniors and their parents receive the royal treatment given all banquets at Big Bert's.

Graduation exercises were held for the first time in the new gym at 2 p.m. on Sunday, June 2, 1974. For the second consecutive year baccalaureate and commencement exercises were combined. The Reverend Dick White was the baccalaureate speaker. Following the exercises a reception was held in the cafeteria sponsored by the junior class parents.
